Bayside Tree Committee Minutes

Agenda: Project Canopy grants only

Specific Recommendations for Types of Trees have been made by Committee Members

Specific Placement of Trees Recommendations:

1. Ruggles (1-2 trees) - above or near Broadway Rd.; beware of power lines where one tree was already taken down
2. Next to Old Jail on Griffin
3. West St. - upper end where one came down
4. Bayview - 1-2

Developing Process:

1. Committee ID Space
2. Look at area and id specifics; place a stake in ground, photo, line drawing of tree
3. Id those to be contacted (those who can see tree and those where views are affected)
4. Send letter and wait for feedback
5. Committee and Tree Warden makes final decision

Jobs to Continue Grant this week:

Woolseys - identify specific placement and make recommendation for kind of tree from list

Lisa - begin contacting people for letters of recommendation (Bill, Corner Store, Beanie, Overseer/Michael, Town of Northport, Landscaper/Vicky)

John Hoy - start writing the letter that would be sent out to notify and send copy of application

Lisa and John H will meet donor re land for planning grant

Lisa and John H. visited lot and

Lisa talked with Bill: received deed, land not be built upon, land for soft recreational use

Next steps: letters, maps/photos, pricing out everything incl. volunteer labor

Meeting next week to walk village and id spots and trees
